Section 3: Reading Comprehension (15 minutes)

Read the passage and answer the questions.

Hobby

Sam, a fifth-grade student at Maplewood Elementary School, has a passion for photography. Ever since he received his first camera as a birthday gift last year, he has been captivated by the art of capturing moments. Sam loves to explore different places in his neighborhood, snapping photos of landscapes, buildings, and even people. With his camera in hand, Sam enjoys experimenting with angles and lighting to get the perfect shot. He often goes on photography adventures with friends or family, sharing his passion with others. Sam's hobby has taught him to appreciate the world's beauty and express himself creatively. Through photography, Sam tells
