Reading about my school rooms.

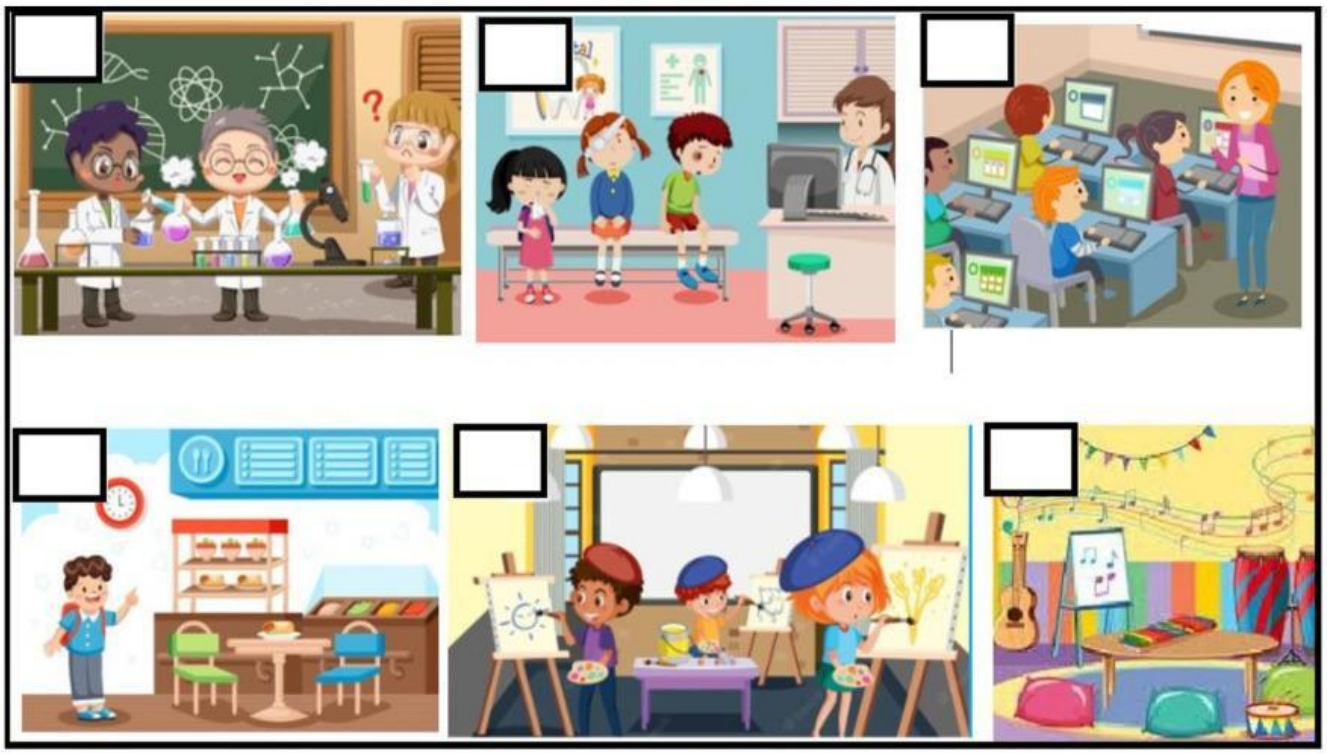

Hi there, I'm Eddie. I'm 15 years old. I am a student at St. Michael School. My school is pretty. It's located in Peru.

My school is not that big. It has 5 classrooms: 1 Art classroom, 1 music classroom, 1 Science classroom, 1 classroom for English and a special covered court for the Gym class.

My school is not that modern, it doesn't have a computer classroom, but there is a computer in each classroom.
In our school we really enjoy a lot because it has big gardens.
It has a small canteen and a huge playground.
Classes are fun because we have excellent teachers!
I love going to school!
