1 Listen and read. Which vacation would you like to go on? Why?

Dear Alfie,

We're having a great time on safari here in Africa. It's very hot every day.

We've seen some amazing mammals already: giraffes, zebras, and lions. We haven't seen any reptiles yet. Tomorrow we're going to the river to see some crocodiles.

See you soon.

Love,

Adam

Hi Annie,

We're enjoying our vacation in the Canadian mountains. It's cold and snowy here.

We've already climbed to the top of the mountain and we've skied down. We've eaten lots of unusual foods. We haven't tried snowboarding yet. The children are going to have their first lesson this afternoon.

Wish you were here.

Love,

Phil
