

Listen and read. Where does the woman come from?

Kylie: Do you live on the island?

Woman: Yes, I do. I was born here. I've lived here since 1979. Are you enjoying yourselves here?

Jack: Yes, we are. We've been here for a week, and we've seen some unusual mammals, reptiles, and birds.

Kylie: How long have you worked at the Wildlife Center?

Woman: I've worked here for ten years. I know everything about the animals of Madagascar!

Jack: OK. So what do chameleons eat?

Woman: They eat grasshoppers and other insects. When they're really hungry, they sometimes eat frogs.
