

Independence Day

Hi. I'm Mykola. My favourite holiday is Ukrainian Independence Day. It's in summer, on 24th August. On this day, my country celebrates its birthday. In the morning, a lot of people go and see parades in their towns and cities. They wear vyshyvankas and hold Ukrainian flags. There are concerts and holiday **fairs** on squares and streets. In the evening, you can see beautiful fireworks in the sky.
