

International Women's Day

Hello. My name is Olena and my favourite holiday is International Women's Day. We celebrate it on 8th March. Why do I like it? Because on this day, we say 'Thank you' to our mothers, grandmothers, sisters, and all women for their hard work, love and care! Women and girls get flowers from their families, friends, and colleagues. People can celebrate this day at home or go to a café for a nice cup of coffee with sweets.
