

Drag and drop the steps to follow in each picture.

find the source
of the fire.

help whoever
needs it.

use the fire alarm.

use the extinguisher.

if the smoke is dense
stay near the floor.

locate the
evacuation route.

keep calm.

don't use the
elevators.

breath through
a damp cloth.

Do you know what to do in case of fire?

with Senior Buney

Prevention is
the best protection!
