 Subject: My Favourite Places

Hi Suzanne,

Thanks for your email. I want to tell you about my two favourite places in my country. There are a lot of beautiful and interesting sights in Ireland, but I really love Cork and Glendalough.

Cork is on the south coast of Ireland. It's not the biggest city in Ireland, but it's very busy. When I go there, I like to go shopping for clothes in St. Patrick's Street. I also buy delicious fish and meat at the food market in Henry Street. I always have a fantastic time there.

Glendalough, on the other hand, is in the countryside, so it's much quieter than Cork. There are many lakes, rivers and even waterfalls in the area. When I go there, I always take long walks with my dog and enjoy the fresh air. Also, I sometimes go rock-climbing. It's very exciting. Glendalough is a beautiful place and I think the people there are the friendliest in the country.

What about you? Which places in your country do you like the most? Write back soon.

Best wishes,

Laura
