The worksheet is divided into two main sections. The top section contains five empty rectangular boxes for pasting. Above these boxes are five labels in rounded rectangles: 'Good Morning!', 'Good Afternoon!', 'Good Night!', 'Hello!', and 'Bye bye!'. The bottom section contains five dashed-line boxes, each with a different illustration. From left to right, the illustrations are: a night scene with a house, a crescent moon, and stars; a girl with blonde hair waving; a house with a smiling sun; a boy with brown hair waving; and a house with a tree and a smiling sun.
