

## 2 Choose the correct words to complete the dialogues.

**Jade** Hi, Paddy. Why weren't you at school today?

**Paddy** I was in hospital!

**Jade** Oh no! What happened?

**Paddy** I fell off my bike at the weekend and <sup>1</sup>**burned** / **twisted** my <sup>2</sup>**ankle** / **scalp**.  
So I went to the doctor this morning. He gave me some <sup>3</sup>**painkillers** /  
**antibiotics** and told me to go home and rest.

**Jade** OK. So why were you in hospital?

**Paddy** Because I tripped on the steps when I was leaving the doctor's surgery and  
<sup>4</sup>**broke** / **had** my <sup>5</sup>**wrist** / **waist**!

**Ned** Have you seen Martin? He's got a black <sup>6</sup>**eye** / **nose**.

**Isobel** Really? How did he do that?

**Ned** He was doing karate with Dave yesterday evening and Dave hit him in the  
face.

**Isobel** Oh no! Did he apologise?

**Ned** No! So Martin got really angry and kicked Dave. Dave fell onto the floor,  
<sup>7</sup>**banged** / **sprained** his head and then had a really bad <sup>8</sup>**nosebleed** / **bruise**.  
There was blood all over the floor.

**Isobel** What a disaster!
