Weather ?

Who ?

What are they doing ?

How could you qualify the atmosphere ?

**Now let's watch it again and number the elements in the order they appear :**

- the picture of a fire engine
- a broken camera
- a cast / a plaster with a sentence written on it : « here lie the broken bones of L.B Jefferies »
- a woman squatting in front of a car
- the picture of the woman on the cover of a magazine
- different cameras
- the negative of a woman picture
