Damir: Hi, Assel. Did you have a nice holiday?

Assel: Hi, Damir. It was great. *You'll never guess what happened*, though.

Damir: *What happened?*

Assel: Well, while I was in Almaty, there was an *earthquake*!

Damir: Oh dear! *Where were you at the time?*

Assel: I *was wandering* around a market. Suddenly, I heard a *rumbling sound* and the ground *started shaking*!

Damir: *Oh my goodness!* And then what?

Assel: I *started screaming*. Seconds later, though, it was over.

Damir: *Did anyone get hurt?*

Assel: No. It was a minor *earthquake* so there was *no damage*. I got quite a *shock*, though!

Damir: *I can imagine!*

Прослушай аудио к диалогу
