

\_\_\_\_\_

They get  
from eating other  
living things

CONSUMERS

**PRODUCERS**

DESCOMPOSERS

\_\_\_\_\_

They use  
from the \_\_\_\_\_ and  
to grow

\_\_\_\_\_

When producers die, they  
became \_\_\_\_\_ for  
descomposers. They put  
nutrients back into

energy      food  
sun      energy  
minerals  
soil, air and water
