Hi, my name is Kyle. I go to primary school. I have a sister. Her name is Alexa, and she's 15 years old. She goes to Maplewood Secondary School. She loves basketball because she's fast and sporty. She always goes to bed around nine o'clock, and she wakes up every day at 6 o'clock in the morning to practice. Not like me! I always sleep late.

Alexa is tall and athletic. She has curly brown hair. She has dark brown eyes and a beautiful smile. She takes really good care of her teeth. She brushes them every day in the morning, at lunch and before bed. I only brush my teeth once a day. That's why I always have to go to the dentist. I should be more like her, but I'm too lazy.

Alexa wears glasses for reading. She always reads creative things like animé or fiction. She's a hardworking person because she studies and practices basketball every day. I should be like her, but I never clean my room. I don't play sports either, just lots of video games.
