

FIND THE MESSAGE!

Learning a new programming language is rewarding.

Make "programming language" the last two words:

Make "learning" an infinitive verb:

Add "it" at the beginning of the sentence:

Make "is" the second word:

Replace "reward" with "flam":

Add "than" before "a new" and move these three words after "flaming":

Add "easier to" after "is":

Add "chainsaws" before "than":
