I _____ a wish in the well
Don't _____ me, I'll never tell
I _____ to you as it fell
And now you're in my way
I trade my soul for a wish
Pennies and dimes for a kiss
I wasn't looking for this
But now you'___ in my way

Your stare was holdin'
Ripped jeans, skin was showin'
Hot night, wind was blowin'
Where you think you're going, baby?

Hey, I just _____ you and this is crazy
But here's my number, so call me, maybe
It's hard to look right at you, baby
But here's my number, so call me, maybe
Hey, I just _____ you and this is crazy
But here's my number, so call me, maybe
And all the other boys try to chase me
But here's my number, so call me, maybe

You _____ your time with the call
I took no time with the fall
You _____ me nothin' at all
But still you're in my way
I _____ and borrow and steal
At first sight and it's real
I _____ I would feel it
But it's in my way

In everything you said to me

If someone _____ three years from now
You'd be long gone
I'd stand up and punch them out
'Cause they're all wrong
I know better 'cause you said forever
And ever, who knew?

Remember when we _____ such fools
And so convinced and just too cool?
Oh no, no, no
I wish I could touch you again
I wish I could still call you, friend
I'd give anything

When someone _____ count your blessings
now
'Fore they're long gone
I guess I just didn't _____ how
I was all wrong
They _____ better, still, you said forever
And ever, who knew?
(Yeah, yeah)
