

# Twitch 'n' Laugh!

Are you familiar with this platform? What is it for?  
Do you use this platform? What do you watch there?  
Is there any streamer that you like? Is there any streamer that you don't like?

Look at the following pictures and say:  
What are they doing? Do you like these types of content?  
Which one is your favourite? Can you rank them?

# Listening Vocabulary!

We are going to listen some word definitions- Find the definitions of the following words in the audio:

streamers

gaming

audience

## Live-streaming!

Let's watch a live-streaming video and answer:

What are they doing? What live-stream category is this?

How are they feeling? How do you think the audience is feeling?

Do you know what is happening?

# You can do it!

Now is your turn to become a streamer!

What category do you choose for your streaming?

## gaming

Open your favourite video game and narrate what you do in English.

## food

Prepare a dish of your favourite food and react to its flavor in English.

## make-up

Create a make-up tutorial with cosmetics you can find at home. Narrate each step in English

## comedy

Find something funny to react to or write a list of funny jokes to tell in English.
