Grammar

Present simple vs. present continuous

Remember!

- We use the present simple to talk about habits or things we do regularly.

Example: My mother cooks every day.

- We use the present continuous to talk about things which are happening at the moment of speaking.

Example: My mother isn't cooking now. She's working in her office.

Note: We don't usually use the present continuous tense with stative verbs (*like, love, need, want, know, agree, etc.*).
