

Major & Minor Interval 6th

Because the counting of Whole Step and Half step is getting difficult in this interval,
let's count everything by **Half step or Semitone**

Major 6th = 9 Half Step (9 Semitone)

Minor 6th = 8 Semitone

LIVEWORKSHEETS

Major & Minor Interval 7th

Because the counting of Whole Step and Half step is getting difficult in this interval,
let's count everything by **Half step or Seminote**

Major 7th = 11 Half Step (9 Semitone)
