

Perfect 8th

Perfect 8th is a same note in different octave

Perfect 8th (P8)

Memorize the formula!

- **m2** = 1 semitones
- **M2** = 2 semitones
- **m3** = 3 semitones
- **M3** = 4 semitones
- **P4** = 5 semitones
- **P5** = 7 semitones
- **m6** = 8 semitones
- **M6** = 9 semitones
- **m7** = 10 semitones
- **M7** = 11 semitones
- **P8** = Octave

Identify the interval!
