The city of Angels

Los Angeles (LA) is the second largest and one of the most cosmopolitan cities in The USA. It is a wonderful cities with a rich past.

The area around Los Angeles was first home to Native American Indians. In the 18th century different Europeans started arriving in the area. On 4th September 1781, 44 settlers created a town there in the name of the King of Spain. The settlers live in small wooden houses with flat thatched roofs. They didn't have running water in their houses.They used to carry water from the rivers nearby. The street outside were dirty and their were not pavement. The first settlers used to get around by horse. They used to farm the land around the town, hunt deer and fish salmon in the rivers nearby. At night, they used to tell the stories around fires or play music and sing and dance.

Today, Los Angeles is a very different place. About ten million people live in this busy and exciting city. It has hundreds of skycrapers and other tall buildings. It has several airports , a metro system and millions of vehicles. Los Angeles is very important for business. It is also home to Disneyland and hollywood and is the entertainment capital of the world. Nightlife in Los Angeles is fantastic.
