

PRACTICE**E**

In this passage, the places with missing articles are marked with \wedge . Write the missing articles in the boxes provided.

- 1 If you spill wax on \wedge carpet by
accident, you can get rid of \wedge wax
quite easily. Just cover \wedge wax
with blotting paper or \wedge flattened
5 paper bag. Next, heat \wedge iron.
Then, place \wedge hot iron
over \wedge blotting paper or
 \wedge paper bag. You have to
leave \wedge iron on the paper
10 for \wedge minute or two. You will
find that \wedge paper will absorb the wax.
