Read the text and match the questions to the answers:

Hi, I'm Grace Evans. I'm eleven years old. It's Saturday today, and I'm at home. My brother Rhys is at home too. He's in the garden with Jasper, our dog, and my granddad. My mum and dad aren't at home. They're at the shops.

My brother is eight, but he's nine on Monday. Jasper is only two and my granddad is 63.

Our house is in London, but we aren't from London. We're from Cardiff. That's in Wales.
