ARE YOU A CITY MOUSE, OR A COUNTRY MOUSE AT HEART?

These days, the difference isn't so great (1)___city and country life in America, but it still (2)____. We recently moved from Brooklyn to a sweet pastoral home. I kept telling (3)____, "If it doesn't work out, we still have a great (4)___to live." It worked out and we have our own farm now. We have two young children, and will miss the (5)___of walking to school and running (6)___classmates on a daily basis. We will miss having the world at our fingertips and the endless possibilities (7)___the corner: theatres, cinemas. Since moving to the country, our girls have seen rabbits and a spider web the size of (8)___ Old bedroom. This morning, the ducks were defending their pond from a pair of intruding (9)____. Our children will have a completely (10) ___upbringing.
