

## Lesson One Words

## 1 Read, look, and write.

**Woman** Excuse me. How do we get to Summerside Elementary School?

**Man** Look, here's the school on the map. It's <sup>1</sup> opposite  the park.

First you go <sup>2</sup>  to the hospital.

The hospital is <sup>3</sup>  the bookstore.

Then turn <sup>4</sup> .

**Woman** OK, I know the <sup>5</sup> . It's <sup>6</sup>  the hospital and the traffic lights.

**Man** That's right. When you get to the traffic lights, go straight and then turn <sup>7</sup>  and you're there!

**Woman** Thank you.

**Man** Goodbye.

## 2 Read again. Draw the route on the map.
