Reading 2 –

A. Read the passage and decide whether the statements are true (T) or false (F).

I live in a wonderful neighbourhood. It is quiet but very convenient. There is a grocery store; I go there when I want to buy something quick to prepare. Also, there are other shops such as a bakery, two restaurants, and a bookstore. I am very satisfied of having a bookstore in my neighbourhood because I love reading books. Near my house, there is a small park. It's a place where people meet and socialise. My father and I go jogging around the park every morning. My neighbourhood is great but there are no schools nearby. The hospital is also far away, but in general it is a nice place to live.
