

TALLER

Estudiante:..... Fecha:.....

Asignatura: Química

Tema: Estructura de Lewis

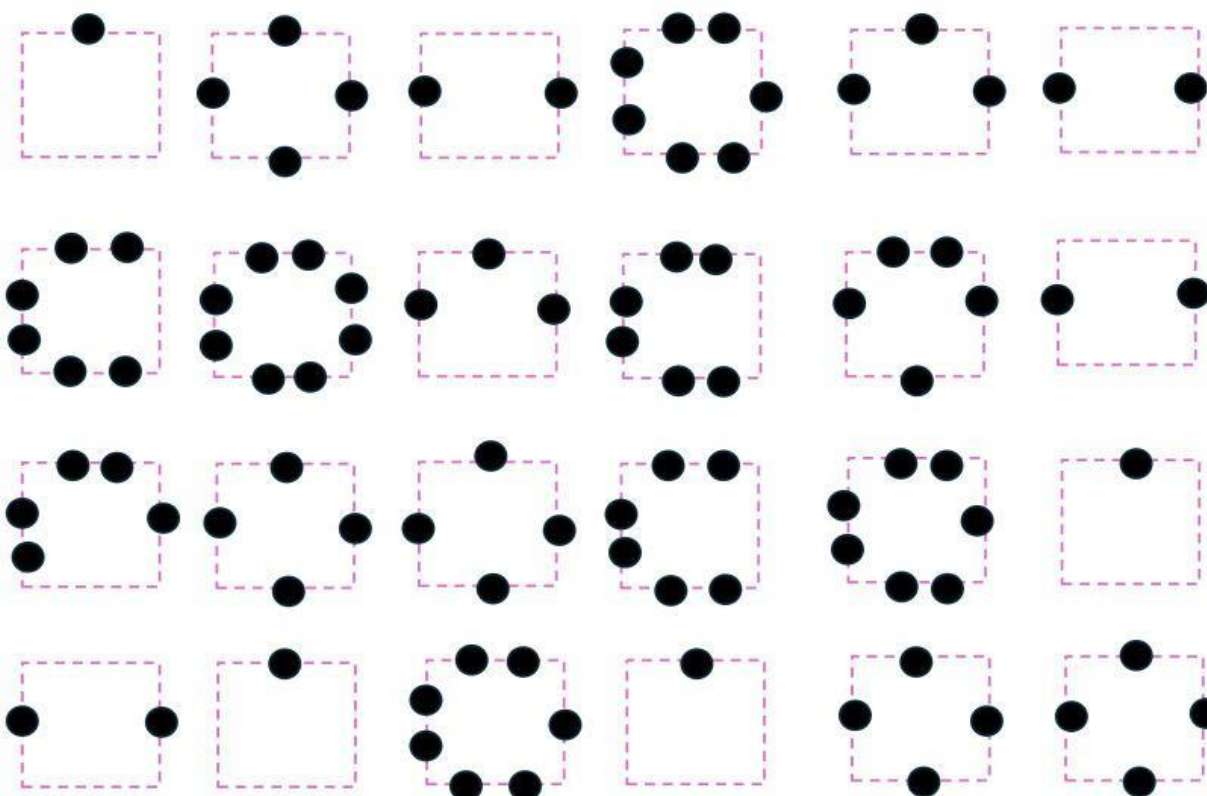

DESARROLLO

1. Arrastra los elementos químicos a la estructura de Lewis correspondiente.

Li Ca C N Ne F Se Mg Bi

Al Pb Sn S I B Na Ba H

O Si Cl K Ge He

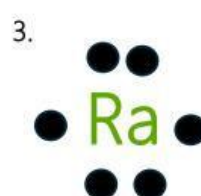

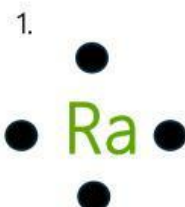

2. Seleccione la estructura de Lewis correcta de los siguientes elementos.

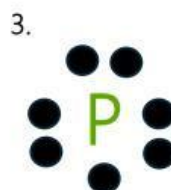

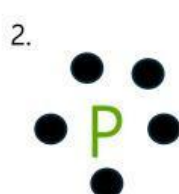

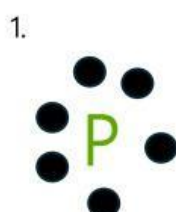

a) Xe

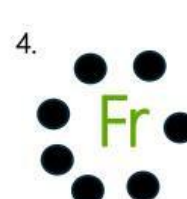

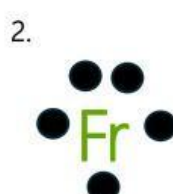

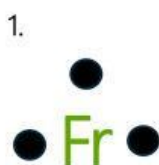

b) Ra

c) P

d) Fr

e) In

f) Po

g) Be

h) Ga
