

***I see grace, Micah Tyler***

<https://www.youtube.com/watch?v=bn4A2-dW2Lg>

**= Easter song + vocabulary related to *mistakes and regrets* =**

... I've seen (1) \_\_\_\_\_  
The kind that comes from (2) \_\_\_\_\_  
The kind that won't go away  
When I turned around  
They were right there to remind me  
... I've seen (3) \_\_\_\_\_  
The kind that messes with your head  
The (4) \_\_\_\_\_ and the can't forgets  
But standing here now  
I'm thanking God it's behind me  
... 'Cause I've seen nail-scarred hands  
(5) \_\_\_\_\_ and wipe it all away, yeah  
... Now I see grace  
Hallelujah, I stand amazed  
I'm (6) \_\_\_\_\_ at an empty grave  
And the stone that You rolled away  
When I was a prodigal  
You saw a son  
... When I left the 99  
You saw the one  
And just like that  
All my (7) \_\_\_\_\_ has been erased  
When I (8) \_\_\_\_\_  
I see grace  
... I still hurt  
Fall short of what You say (9) \_\_\_\_\_  
And that devil says I (10) \_\_\_\_\_  
What You did on the cross  
And he's right 'cause I don't  
But You did it anyway  
... I see grace  
Hallelujah, I stand amazed  
I'm (6) \_\_\_\_\_ at an empty grave  
And the stone that You rolled away

... When I was a prodigal  
You saw a son  
When I left the 99  
You saw the one  
And just like that  
all my (7) \_\_\_\_\_ has been erased  
When I (8) \_\_\_\_\_  
... I see grace, grace  
God's grace  
Grace that is greater than all my sin  
Thank God almighty  
Gonna sing it again  
Oh grace, grace  
God's grace  
Grace that is greater than all my sin  
... I see grace  
Hallelujah, I stand amazed  
I'm (6) \_\_\_\_\_ at an empty grave  
And the stone that You rolled away ay ay ay  
I was a prodigal  
You saw a son  
... When I left the 99  
You saw the one  
And just like that  
all my (7) \_\_\_\_\_ has been erased  
When I (8) \_\_\_\_\_  
... I see grace, grace  
God's grace (I see grace)  
Grace that is greater than all my sin  
Thank God almighty  
Gonna sing it again  
... Grace, oh, grace  
God's grace  
Grace that is greater than all my sin
