Girlfriend in a coma

The Smiths

Girlfriend in a coma, I know

I know, it's _____

Girlfriend in a coma, I know

I know, it's really serious

There were times when I _____

Have murdered her

But you know, I would hate

Anything to happen to her

No, I don't want to see _____

Do you really think

She'll pull through

Do you really _____

She'll pull through

Do ooh ooh ooh

Girlfriend in a coma, I _____

I know, it's serious

My, my, my, my, my, my baby, goodbye

Serious-hate-goodbyes-please-
Think-know-could-her

There were times when I could

Have strangled her

But you know, I would _____

Anything to happen to her

Would you _____

Let me see her

Do you really think

She'll pull through

Do you really think

She'll pull through

Do ooh ooh ooh

Let me whisper my last _____

I know, it's serious
