Learning Outcome: E8.5.R1. Students will be able to identify main ideas in short and simple texts about the Internet habits.

Read the text below and answer the questions. 5x5=25

*Kate : I think the Internet is great, but it sometimes makes it difficult for us to make real friends. We spend too much time on the Internet, so we may fail exams in school. Too much screen time can also be harmful to our health. However, I use it for my homework , I rarely use it for fun such as watching movies or listening to music. I never search information on harmful websites because I have an antivirus program.

- 1-What is Kate talking about?
- 2-Is kate an internet addict?
- 3-What is Kate doing on the internet to enjoy herself?
- 4-How is Kate protected from harmful websites ?
- 5-Is Kate talking about only advantages of the internet?

Learning Outcome: E8.7.R1. Students will be able to find specific information from various texts about tourism. Read the text below and answer the questions. 5x5=25

Mount Nemrut in Türkiye is famous for big statues and old ruins from about 2,000 years ago. A king named Antiochus Theos built them. The statues show gods and leaders. They are around 8 to 10 meters tall. They're part of a special tomb. It's a UNESCO World Heritage Site.

- 1- What is Mount Nemrut famous for?
- 2-Who built the statues and structures there?
- 3- What are the statues about?
- 4-What can you say about the appearance of these statues?
- 5- Is Mount Nemrut on the UNESCO World Heritage List or not?

Learning Outcome: E8.7.R1. Students will be able to find specific information from various texts about tourism.
