My name is Karen and I'm from Britain. The weather in Britain is often rainy, but in the winter it's also very cold and snowy. You can't imagine how cold it is here. Yesterday it rained a lot but it is snowing heavily today. We have to wear heavy jackets and gloves to keep us warm. My sisters are making a snowman in the garden at the moment. I am in the living room with my parents. They are decorating the Christmas tree. In the autumn and spring, it can be quite windy but it's not very cold. The summer can be warm. My favourite season is spring because the trees are green and there are many flowers. I often go for a walk in the park.
