5. Read Emma's speech bubble below and answer the questions. (3x6= 18 pts)

Hi, I'm Emma. I'm a seventh grader at Westhill Secondary School. I'm successful in science and maths. Probably I will attend a good university in England and study astronomy. My biggest dream is to be an astronomer and explore space. I guess I will live in a big house in the countryside and have a dog and a cat.

1.What will Emma study at the universiy?

…….

2. Wich subject is she succesful in?

……

3. Will she live in a big city?

……
