Daisy and the funny drink

Daisy Green lived in a flat in the city with her family. Last Sunday was a very hot day and the Green family decided to stay at home. Daisy didn't have anyone to play with. She asked her dad, but he had to wash the car. She didn't ask her mum, because she was in the living room with one of her friends.

Daisy thought, "Perhaps Anna will play with me." But her older sister was doing her homework in her bedroom. "Shh! Be quiet!" Anna said. "All right," Daisy whispered. "But you look hot. I'll get you a drink."

Daisy went downstairs to the kitchen. She took three things out of the fridge: the milk, a bottle of orange juice and some lemonade. It was difficult to choose, so Daisy put all three of them in one glass. The drink looked very strange, but Daisy took it upstairs and put it down carefully on Anna's desk.

"Have you finished your homework yet?" she asked. "Yes," said Anna. "Let's email some of our friends." "Great!" said Daisy. Then Anna picked up the drink and tasted it. "Daisy!" she laughed. "This drink is horrible! Let's go downstairs and ask Mum for some ice cream. Then we can play." "Good idea!" said Daisy.
