ANIMALS

Watch the film.

Match the information 1–8 with the students A–D. Write the letters. Watch the first part of the film again and check your answers.

1. He/She has a hamster and five chickens.
2. His/Her aunt has a fish.
3. His/Her dog can bring a ball back.
4. His/Her dog chases the postman.
5. His/Her fish swims around in circles.
6. His/Her grandfather has a dog and some pigeons.
7. His/Her grandfather has a horse.
8. Their dogs can sit and stay.

Watch the second part of the film again. Tick (✓) the answers below (1–8) that the students give to Alex's questions.

1. Yes, I like giraffes.

2. Yes, I love seeing the monkeys. They're fascinating.

3. I do. I like seeing the tigers and how they play.

4. Well, I don't mind, but it's not my first choice of a day out.

5. I do, because there are lots of animals I've never seen before.

6. No, I don't like seeing animals in captivity.

7. Yes, I do like visiting zoos.

8. No, not really. In my local zoo, the animals aren't kept very well.
