Trip to Beach

It was on Sunday morning January 9, 2022. My friend and I went to the beach after studying hard. We wanted to refresh our mind and enjoy the fresh air. We went there early in the morning by car. The trip took about 2 hours. We arrived there at for about 9 a.m.

After parking the car, we walked along the beach barefoot. We could feel the smoothness of the sand. The cold sea water touched our feet. Then, we looked for a place to take a rest. We rolled out the mat on the ground and had a snack together. While eating, we saw many things. We also saw some people sunbathing. After eating, we were interested in sunbathing as well. We were so happy. We really enjoyed the trip. It was one of the best trips I ever had.

Last Sunday my family visited my parent's friends, Mr. And Mrs. Amir, in Padang because they have a new baby. We went there by car early morning because we planned to stop at Anai Valley Waterfall for a moment.

We passed Bukittinggi-Padang Road which is very awesome. We enjoyed beautiful scenery along the road. We were so amazed when we saw the wonderful Anai Valley Waterfall. It is located beside the road. My father parked the car in the parking area and then we enjoyed the waterfall. The water is clear and fresh. Then, we ate delicious food in the restaurant nearby.

After that, we continued our trip Padang. We arrived at Mr. And Mrs. Amir's house around 11 a.m. They welcomed us warmly. We visited the baby and then we had a chitchat. We left their house at 2 p.m. We passed the same road and still enjoyed it. We arrived home at 5 p.m.

Unforgettable Experience

I had an unforgettable experience. It happened a week ago. I was going home from my football practice at school. On the way home, I decided to buy shampoo since mine already run out. I practiced football three times a week and I always wash my hair after I practiced. I decided to buy shampoo from a supermarket. There was a sale at that time. They offered discounts for many items. They also gave discounts for shampoo and jam. Therefore, I decided to buy chocolate jam so I could eat bread with it after shower.

On my arrival at home, I was ready to go shower when my mother suddenly asked me to be quick since we were going to my mother's friend's party. Without thinking, I immediately went to the bathroom. The fun began when I started shampooing my hair. I tasted the sweetness from the shampoo and realized that was wrong. Mother laughed at me when I asked her to get me my shampoo bottle and told her about the silly incident.
