

What skills or abilities do you have that you use now at work or you can use in the future in a job?

The Hamburger Paragraph

Five empty rectangular boxes for writing, each with four horizontal lines. Lines connect the hamburger diagram to the first four boxes: the top bun to the first box, the first supporting sentence to the second box, the second supporting sentence to the third box, and the third supporting sentence to the fourth box. The fifth box is not connected to any part of the hamburger diagram.
