My Mother Clean Kitchen

There are several rooms in my house. They are a living room, a kitchen, two bathrooms, three bedrooms, and a (1) _____. Talk about my kitchen, it is not large, but it looks clean with a white wall. My mother always cooks there.

In the kitchen, there are cooking (2) _____, such as a gas stove, green pot, and (3) _____. The pot and the kettle are on the gas stove. Then, the (4) _____is above the gas stove, and the oven is under the gas stove. There are also modern electronic tools, such as a white refrigerator in the corner of the kitchen. My mother uses it to (5) _____ the food supply. There is also a silver toaster beside the refrigerator. I usually use it for (6) _____ my bread in the morning.

There are some plates, glass, cups, forks, and spoons inside the (7) _____. Below the dish cabinet, there is a (8) _____. My mother hung up gloves, a frying pan spatula, and a ladle. Besides, there is a seasoning counter to put jars of sugar, coffee, salt, and other seasoning bottles on it. Near the window, there is a sink with a tap.

My mother put a brown (9) _____in the middle of the kitchen with four white chairs. My family and I usually have breakfast, lunch, and dinner together there. On the dining table, there is a cup. It is my father's cup of coffee. Although this kitchen is small, I like it because I can (10) _____ everything without moving too much. It also has many cabinets and big windows. Thus, the sun can shine easily through it.
