1 -Read about three people who work in the tourist industry.

I'm Kukrit. I am a turist information officer. I work in the center of Bangkok, at Hualamphong railway station. I start working at five o'clock every day. My job is to advise tourist about accommodation, transport and sightseeing. It takes a lot of energy – you need to be patient and friendly. I really like helping people to have a nice time in my city, but it's very tiring. I finish work at four o'clock in the afternoon.

I'm Monika. I'm a restaurant manager. I work six days a week, including evenings. In this job you need to be well organized and efficient. I plan menus with the chef, handle the day-to-day running of the business, do the account and manage a team of ten. The only part of the job I don't like is dealing with customers' complaints.

My name is Alex. I'm on a tour. I'm a tour leader and my own boss, and I really enjoy that. You need to be calm and resourceful for this job. I'm responsible for making sure that the tour goes smoothly and that people enjoy their holiday. I check the transport arrangements, organize the accommodation, tell the people what's happening each day and deal with any problems.
