Babe devoured life. You know? She never settled for anything. \_\_\_\_\_ to the very last minute. She always knew what she wanted and wasn't afraid to go out and get it.

- I feel terrible.
- You shouldn't! You did it \_\_\_\_\_ of the kindness of your heart.

Well, if it makes you feel any better, it turns \_\_\_\_\_ the person in my family who has the highest regard for me is our old housekeeper.

- I'm on the phone. Uh, Jeff? Hello? Hello?
- What's \_\_\_\_\_?
- Well, actually, I have a little favor to ask you.

- We're making vibrators for women with arthritis.
- Yes! Vibrators! Brilliant!
- Please let my water break!
- I think I just blacked out \_\_\_\_\_.
- Oh, grow \_\_\_\_\_.

**Read the extracts. Write out phrasal verbs with up in the basic form.**

- But she's never going to stop until she gets that painting. She's sent me six text messages since we hung up \_\_\_\_\_.

- Honestly, my arthritis flared up about 30 seconds in. I played through the pain.

- Never used a vibrator! This really explains so much. Look, sister, start that sucker up and get to it.

- I give up:
- I don't buy you a gift, you're mad.
- I do buy you a gift, you're mad.

- You had the housekeeper pack them up?
- Well, how would I know what you'd want?
- Oh, I don't know. I thought maybe being married to me for 40 years \_\_\_\_\_ would've given you some clues.

- Why is it every time my family gathers for a meal someone has to bring up my mother's vagoo?
- Just say "woodle" like a grownup.

- I'm trying to tell you that Kenny Loggins never bought your painting. I made the whole thing up.

- Babel Oh, shit! Help me scoop her up!
- No!
- Before the wind takes her away!
