

	<p>Rosie learned that the only true failure is if she quits.</p>
	<p>Together they worked on building another copter.</p>
	<p>Rosie built her great-great-aunt a cheese copter that flew for a bit then crashed to the ground.</p>
	<p>Rosie's great-great-aunt Rose came to stay. She told Rosie she had always wanted to fly.</p>
	<p>However, when Rosie was young she wasn't so shy. She would build things for her family.</p>
	<p>Rosie was shy at school but when no one was around, she would look in the trash to find treasures to build things with.</p>
	<p>Great-Great-Aunt Rose laughed. Even though the cheese-copter crashed, her aunt thought it was a raging success.</p>
