(a) My friends like to go to Soho. It is a district in the centre of London. It is known for its nightclubs, casinos and restaurants. I enjoy every evening spent there. And, of course, I like Piccadilly Circus, known for its lovely nightlife.

(b) I am interested in history. And I am fond of going to museums. My favourite places in London are the Tower of London, the National Gallery, the Tate Gallery, the British Museum and, of course, Madame Tussaud's.

(c) Sightseeing has become a hobby for many people. When tourists come to London, they visit Westminster Abbey first of all. That's because a lot of famous people are buried there. Then, there is Buckingham Palace, the official home of the British royal family. My favourite sight in London is St Paul's Cathedral and, of course, I am fond of Hyde Park, St James's Park and Regent's Park. It's so nice to walk there in any weather!

(d) I am a student of the Academy of Music. It's an important music college. I have a lot of friends who study in London. Some of my friends study at the Royal Academy of Dramatic Art. We often meet in the library of the British Museum. We all love London very much.

(e) I am fond of music, especially classical music. I am sure London is the right place for lovers of music. First of all, there is the Royal Opera House, which is called Covent Garden. I am a regular visitor of the Albert Hall. Most of all I like our Promenade concerts. It's a specific concert where there are no seats. You are free to come and go when you want. The Proms, as we call them, are extremely popular.
