4.1 **Match the adjectives with the correct preposition.**

A producer is the person	who hires the director and actors to make a movie.
A script supervisor is the person	who works closely with the director and script editor.

4.2 **Choose the correct answer.**

Hi guys, I'm Sean. Have you ever seen "Monsters University"? All monster characters in that animation are amazing. But there is one character that really interests me. Let me try to describe him for you. He doesn't wear glasses. He has a strong tail that he uses to protect himself from behind. He can roar really loudly and move so fast when scaring human children. Everyone is often impressed with his height. His big strong horns is also what makes people afraid of him. Can you guess who he is?

A. Randall

B. Sullivan

C. Art

D. Johny
