Listen to the song and click on the correct words.

Happy birthday **to** / **for** you, this is your day.
On this day for you
we're going to love you **in every** / **all the** way.
This is your day, **your** / **our** day,
Happy birthday to you, to you, to you.

Happy birthday to you, you're **really** / **still** young.
Age is just **an idea** / **a number**, don't you stop having fun.
This is your day, your day, happy birthday to you.

This day only comes **one time** / **once** every year,
because you're so **fantastic** / **wonderful**
With each and **all the things** / **everything** you do, hey!

Happy birthday to you, **that** / **this** is your day.
On this day for you **we're** / **they're** going to love you in every way.
This is your day, your day, happy birthday to you, to you.
This day is **only** / **just** for you,
because you're **very** / **so** special in every way
Happy Birthday to you!
