INSIDE THE

The White House, 1600 Pennsylvania Avenue, Washington DC, is the most famous address in America. It is where the United States President works, but it is also his private home where he lives with his family. He has children's birthday parties, holiday dinners, and weddings in this world-famous building.

THE BUILDING

First built in 1800, the White House is where the President of the United States governs a country of 50 states and 304 million people.

He lives with his family on the second and third floors. There are 16 bedrooms, a living room, a kitchen, and a dining room. Special guests stay in the Queen's Bedroom or the Lincoln Bedroom.

In the West Wing are the staff offices. The President's own office, the Oval Office, is also there. It has three large windows behind the President's desk, and there is a fireplace at the other end.

Each new president chooses new curtains, new furniture, and a special new carpet. There are pictures of old presidents on the wall, and there is the famous desk, a gift from the British Queen Victoria in 1880.
