romantic musicals theater ~~action~~ funny boring

Last weekend I went to an <sup>1</sup> action movie with my cousin, Adam. It was *Mission: Impossible FALLOUT*, with Tom Cruise. We saw it in my favorite movie <sup>2</sup> theater. It's in the shopping mall and it's really big. Adam loved the movie, but I hated it. It was <sup>3</sup> boring because there were too many car crashes and car chases. My favorite movies are <sup>4</sup> comedy comedies, for example, the *Mamma Mia* movies. I like them because they're about love, but they're also <sup>5</sup> funny. I laugh a lot when I watch them. And I love Abba songs. I love all music, really ... and singing, so I also like <sup>6</sup> musicals.
