ASSESSMENT TEST

Part 4: Reading Comprehension - Read the text and answer the questions in complete sentences.

My favorite season is autumn. I think it's the best season of all! Autumn is when the weather starts to get cooler, and the leaves on the trees turn different colors. The air in autumn feels fresh and cool. I love wearing warm sweaters because they make me feel cozy. During autumn, the leaves on the trees change from green to red, orange, and yellow. It's like watching a beautiful painting come to life! I enjoy going for walks and crunching the leaves under my feet. It's so much fun!

Autumn is also a time for yummy drinks. My favorites are apple cider and pumpkin spice lattes. They taste delicious and warm me up when it's chilly outside. I also love gathering around bonfires with my friends and family. We tell stories and roast marshmallows. It's the best feeling ever!
