1. **Listen to the song and complete the lyrics with the words below.**

wake up - where – what - hate - miss – mad – crazy - turn - keep – see - say - feel – wanna

JET LAG

(Simple Plan featuring Natasha Bedingfield)

Ohh Ohh (so jet lagged)

_____ time is it? _____ you are?

I _____ you more than anything

Back at home you _____ so far

Waitin' for the phone to ring

It's gettin lonely livin' upside down

I don't even _____ be in this town

Tryin' to figure out the time zones is makin' me

_____

You _____: "good moring"

When it's midnight

Going out of my head

Alone in this bed

I _____ to your sunset

And it's drivin' me _____

I _____ you so bad

And my heart heart heart is so jet lagged

Heart heart heart is so jet lagged

Heart heart heart is so jet lag

Is so jet lag

_____ time is it? _____ you are?

Five more days and I'll be home

I _____ your picture in my car

I _____ the thought of you alone

I've been keeping busy all the time

Just to try to _____ you off my mind

Tryin' to figure out the time zones is makin' me crazy

(Chorus)

Ohh Ohh

I _____ you so bad (5x)

I _____ share your horizon

I _____ you so bad

And _____ the same sunrising

I _____ you so bad

And _____ the hour hand back to when you were holding me

(Chorus)

2. **Match the words with their appropriate meaning (the idea that it represents).**

1. **wake up** ( )
