Exercise 13. Read the text and choose the best option for each question.

MY DREAM SCHOOL

In the future, schools will be better. Computers will be much quicker and we might have pencils which write for us! All the students will have their own computers.

When there is a history lesson, the computers will show important events. The students will be dressed up as the characters from the period they are studying. There will be **hover** boards in the playground, and students will come to school by **hover** cars.

Every child will have a robot like themselves. The robots will have to go to school while the students sit at home controlling them in front of their computers. The robots will have laser pens and the student will have laser ink pens.

The classroom will be floating, and the tables and chairs will, too. There will be no homework, and teachers won't take away the toys.

1. The student wants all of the following but not ..... .
   A. having laser ink pens
   B. going to school
   C. staying at home controlling a robot
   D. having a robot like himself
2. In history lessons, the student wants the computer to ..... .
   A. show important people in history events
   B. have new games
   C. show history events and the student will be one of the important characters
   D. find all information about the events from the Internet

Exercise 14. Read the passage and answer the questions.

A lovely house

Peter lives in a house near the sea. It's an old house, about 100 years old, and it's very small. There are two bedrooms upstairs but no bathroom. The bathroom is downstairs next to the kitchen and there's a living room where there is a lovely fireplace. There's a garden in front of the house. The garden goes down to the beach and in spring and summer there are flowers everywhere. Peter lives alone with his dog, Boxer, but they have a lot of visitors. Their city friends often stay with them. Peter loves his house for many reasons: the garden, the flowers in summer, the fire in winter, but the best thing is the view from his bedroom window. Peter is thinking of a new house in the future with the help of robots.
