Put your cursor on the lines that follow. You'll see a **pen**! Use the pen to **draw lines** between the two columns. In this way you will place each line in its correct order!

Out of my life, out of my mind

1st line

Tell them the fairytale gone bad

2nd line

And leave this mess behind

3rd line

Out of the dreams we had, they're bad

4th line

Out of my head, out of my bed

5th line

We need to swallow all our pride

6th line

Tell them it's me who made you sad

7th line

Out of the tears we can't deny

8th line
