ago don't down have if other that

If I have any free time at the weekends, I love to read. At the moment I'm reading a fantastic book I just can't put because it's so exciting. I usually enjoy thrillers, so I was quite surprised. I started it a couple of days and I've almost finished it. I will lend it to you you're interested. Tomorrow I'm going to the library to see if I can pick up any books by the same author. If I find one, I will be so happy!
